

Community Vision

Members of the Shackan Band envision a Healthy community that lives in accordance with traditional Scw'exmx values. These values include sharing, helping, learning and teaching. These values translate into: helping the younger generation realize their potential, promoting everyone's involvement in the life of the Community, and also in being generous to those in need.

Scw'exmx Values: Respect for Self & Others; Positive Sharing; Positive Helping; Positive Learning; Positive Teaching; Healthy Lifestyle; and Self-Sufficiency.

Emergency Medical Responder Bridge Course

The Emergency Medical Responder (EMR) Bridging course is an entry-level Paramedic course that will prepare individuals for employment in a variety of pre-hospital, industrial and first responder settings. The EMR course is designed to provide participants with the basic knowledge and skills to be able to manage any medical and trauma related emergency.

The EMR course is an entry-level training course that provides the skills and knowledge required to practice as an Emergency Medical Responder.

At the end of the EMR course you will be able to:

- Perform a standardized patient assessment
- Conduct a scene assessment
- Assess and manage life-threatening traumatic emergencies
- Assess and manage life-threatening medical emergencies
- Assess patient vital signs
- Monitor patient blood pressure and pulse oximetry
- Conduct a secondary assessment consisting of a physical examination, medical history, and vital signs
- Conduct chest auscultation
- Administer CPR according to the Heart and Stroke Foundation of Canada
- Perform basic wound and fracture management including the application of a Sager Splint
- Maintain airways and ventilation using Pocket Mask and Bag-Valve-Mask devices
- Meet all Occupational First Aid Level III requirements
- Conduct lifting, loading, extrication, and transportation of patients
- Perform spinal immobilization and cervical immobilization
- Perform emergency childbirth
- Perform oropharyngeal airway suctioning
- Perform oxygen administration
- Perform Automated External Defibrillation (AED)
- Maintain intravenous lines
- Administer the following oral, sublingual, or inhaled medications: Nitroglycerin, Glucogel, Nitrous Oxide (Entonox)

The EMR Bridging course is 5 days in length with one day of exam. This course requires students to have successfully completed an OFA Level 3 (2 week) course prior to starting.

Re: Education Assistance

In order for Post-Secondary students to be sponsored by the Shackan Band Education Department, providing funding is available, and meet with the Guidelines 2019-2020 from Indigenous Services Canada, the following is required:

- Letter of intent describing the program you plan to take in continuing your education.
- Transcript from the school you last attended.
- A letter of acceptance from the College or University you applied to attend school.
- Shackan Band application for Education Assistance Form completed and returned.
- Conditions of Educational Assistance Waiver Form completed and returned.
- Plus, a copy of your grade 12 report card, or Diploma.
- Your complete package of application must be in office by April 30, 2020.

Once I have all the above on file, you will then be notified if there is funding available.

In Support of Education,

Debra Manuel
 Education Coordinator
